FORM 17E

The Simple Procedure Application for Instructions about a Damages Management Order

If you are applying for the sheriff to make orders:

This is an Application for Instructions about a Damages Management Order.

It is used where the court has made a damages management order (which is about how a sum of money awarded as damages is to be paid to and managed for a person under a legal disability) and you want the court to tell the person appointed to manage the money how to go about doing that.

You must fill in parts A, B and C of this application and send it to the court. If you are one of the parties, you must send a copy to the other party in this case. If you are an interested person, you must send a copy to every party.

If you have been sent this Application:

This is an Application for Instructions about a Damages Management Order.

If the court grants this application, the court will give instructions about how to manage the money to the person appointed to manage it.

You have received the application because you are one of the parties in the case or because you are the guardian appointed to manage the money.

You must fill in part D of this application ('the reply') and return it to the court within 10 days of it being sent to you.

The court will then either grant the application and send written instructions to the parties, the interested person and the sheriff clerk or guardian, refuse the application and make no orders, or order you to appear at a discussion in court where the sheriff will consider whether to give instructions.
